## EXPERIENCE

### **MidSouth Steel Inc., Atlanta, GA — Ornamental Ironworker**

December 2017 - February 2018

Welds brackets to lintels, sills, columns, and other structural framework. Cuts, miters, and bevels metal trim and cover plates to size, using handsaws or portable power saws. Bolts newell posts, balusters, and other parts of stairways and stair rails to supports or embeds them in sockets. Fabricates, and/or repairs incorrect material.

### **Campus Crusade for Christ (Cru), East Asia — Missional Team Leader**

April 2015 - June 2017

Responsibility was to give leadership to a team of Christian Missionaries who are committed to reaching a defined campus or people group by planting & growing a church movement.

### **Don Allen Development, Auburn, AL — General Construction Labor**

November 2013 - July 2015

General labor for commercial construction including cleaning and preparing a job site, loading and delivering materials, and using a variety of tools and machines such as blowtorches, forklifts, levels, lifts, power drills, grinders, saws, pressure washers, and water spraying equipment. Helped carpenters, masons, and other specialized contractors. Worked with a team to build foundations (set grades, dig ditches, tied rebar, and poured/floated concrete), frame commercial structures, and meet any other needs of my employer.
